Dear Mrs. Brooks:

Our Evening Sun reporter Carl Schoettler is now in Vietnam covering the activities of Maryland servicemen. He is taking photographs of the Marylanders when he can and forwarding them to the Baltimore office.

Included in his last dispatch were pictures of your son. We are sending the extra picture to you with our compliments. The pictures will run in the Evening Sun on Thursday, April 25, 1968.

We sincerely wish that your son may return home soon.

Sincerely,

William Bernard
