Good Morning!

Each month, this office sends cigarettes to various platoons stationed in Viet Nam. We never specify just who should receive the cigarettes except that they are for the men in the Armed Forces of the United States who are in Viet Nam.

Your son received some of our cigarettes and he wrote us a very nice letter in return. We receive cards of thanks from many of the men but it is rare for us to receive a letter such as the one your son took the time to write.

We would like to share this letter with you and a copy is enclosed. You have a son to be proud of and we wanted to tell you. A very Merry Christmas and a most Happy New Year to you.

Sincerely yours,

Joseph M. Townsley
